RonsTechHub.com

A decorative background on the left side of the slide. It features a close-up, angled view of a computer keyboard. Several keys are highlighted with glowing arrows pointing to the right. The arrows are in various colors: white, light blue, and orange. The overall color scheme transitions from dark blue at the top to a bright orange and yellow glow at the bottom, suggesting a sunset or sunrise effect. A semi-transparent logo for 'Rons Tech Hub' is visible in the center of the keyboard area.

## A3.7.4 Application Software Files

- Application software files run programs on computers.
- Examples include EXE for Windows and APK for Android.
- Example: Google Chrome EXE file.
